

Making our beautiful town look like other urban developments is disgusting. We are already seeing increases in crime, rudeness at the shops and horrible traffic. I did not move here 30 years ago for this experience. I will take my assets and all the funds I contribute and move to FL. Good luck as always for ruining lovely thoughtfully planned neighborhoods. I grew up in Queens. Look at the mess. I lived in Brooklyn - look at the congestion. I invested in the Bronx- lost my money because of crime, drugs and filth.

There are blow our Buildings in Bridgeport- Fix them, invest in the schools there - help their communities. NO THANK YOU TO YOU BILL.

Sherwood Island has a lovely beach and it is free and big and beautiful. Leave Westport alone. I pay for that beach and am sick and tired of not being able to get a parking spot or a quiet place to sit. - NO THANK YOU.

These liberal wok politicians are on a crusade to destroy our country.
